

REPUBLIC OF RWANDA MINISTRY OF JUSTICE RWANDA FORENSIC INSTITUTE

QUALITY POLICY STATEMENT

The Rwanda Forensic Institute (RFI) is committed to supporting the administration of justice, public safety, National security and scientific truth through high-quality forensic services, specialized forensics training, and cutting-edge R&D initiatives. RFI operates a Quality Management System (QMS) aligned with ISO 9001:2015 and ISO/IEC 17025:2017.

To meet the needs and expectations of our interested parties, our commitment to quality is built on the following principles:

-  **Quality you can trust:** Delivering accurate, reliable, and legally defensible forensic analyses while maintaining confidentiality, impartiality, and integrity.
-  **Clear goals for real results:** Providing a strong framework for setting, monitoring, and achieving quality objectives that drive continual improvement and institutional excellence.
-  **Doing what's right:** Fulfilling applicable ethical, statutory, regulatory, and client requirements both nationally and internationally.
-  **Growing and improving:** Continually enhancing the effectiveness and efficiency of our QMS through regular reviews, internal audits, risk-based thinking, and engagement with stakeholders.
-  **Embracing the future:** Adopting emerging technologies, including forensic workflow digitalization and Artificial Intelligence (AI), while maintaining rigorous scientific standards to enhance speed, accuracy, and service scope.
-  **Investing in people and ideas:** Promoting national and regional forensic self-reliance through sustained investment in training, innovation, and research.

This Quality Policy is documented, implemented, maintained, and communicated to all RFI personnel and interested parties. It is reviewed periodically to ensure its ongoing suitability, relevance, and alignment with RFI's strategic direction.
